INDIVIDUAL ENTRIES & LONG LIST OF ATHLETES

Individual entry for an athlete consist of three parts:

1. General Data - Personal information
2. Sport Entries
3. Arrival and departure information

As part of the registration process, FISU introduced “Long List” of athletes. This will allow delegations to submit General data (personal and educational related information) for all the athletes who may potentially take part in the Krasnoyarsk 2019 Winter Universiade. However, submission of Sports Entries is limited by participation quotas for a particular event defined by the FISU regulations.

The deadline for submission of Individual Entries for participation in WU2019 competitions is 2 February 2019. After this deadline, only cancellation or permanent replacement with athletes who have already registered in the accreditation system (Long list of athletes) will be possible.
